

Good Times

Chorus

**People are happy, feeling fine
Out on the beach in the sunshine,
Swaying their hips, drinking their wine
Everyone's having and good time.**

Out on the busy streets
Life is good, it's sweet, sweet, sweet
They get on down to the reggae beats
And high five when they meet

Chorus

Under the clear blue sky
Life is good, we feel high, high, high
Wave at your friends as they walk on by
It's just you and I.

Chorus:

Under the silver moon
Speakers go, Boom, boom, boom
All get down to the calypsos tune
And don't leave too soon

Chorus

Under the coconut tree
Life is good, we feel free, free, free
Sing along to the melody
What a great place to be!

Chorus.
